## AUGUST 2018

### BACK TO SCHOOL WITH GALE COURSES

August typically means back-to-school month and it's no different at the library. Spencer County Public Library is proud to offer Gale Courses to anyone with a SCPL issued library card. Gale Courses are instructor-led online classes available in a broad subject range.

As mentioned previously, these classes are available to anyone with a SCPL issued library card, in good standing, meaning no late fees, lost items, overdue materials etc. (You may contact any SCPL location to find out if your library card is active and in good standing.) Each course is six weeks long with new courses starting every month. Whether you are looking for career development or personal enrichment, Gale Courses offers something for everyone.

Many Gale Courses are continuing education compliant.

Example of classes:

- Speed Spanish
- Medical Terminology
- A to Z Grant Writing
- Introduction to Windows 10

Book Review—

*The Child* by Fiona Barton

“This book started with the discovery of a small child’s skeleton being unearthed by the demolition of old houses. A

newspaper reporter started investigating because she thought it would be an interesting story. She interviewed a woman whose baby was stolen from a hospital, and the further she researched the more people became involved. The DNA matches the woman but then a younger woman confesses that she had stolen the baby and buried it in that spot. The story keeps you guessing and has a surprise ending. I loved it!”
